

The world's first platform to predict, prevent and treat pain

Sword brings expert care to you—anytime, anywhere. They deliver personalized solutions for muscle, joint, and chronic pain, pelvic health, and overall movement wellness—all from the comfort of home. By combining the guidance of a licensed therapist with innovative digital tools, Sword makes recovery and long-term health simple, accessible, and effective.

Employer Benefits

THRIVE Digital Physical Therapy

Discover at-home digital physical therapy with a dedicated Physical Therapist that builds a customized program based on your needs and complete sessions at any time of day using their FDA listed tablet.

BLOOM Specialized Pelvic Health

Combines the use of the Sword Mobile App, bloom device, and the human guidance of a licensed pelvic health specialist to offer the most comprehensive and clinical-grade pelvic health solution on the market.

MOVE Pain Prevention

Under the guidance of a Doctor of Physical Therapy, Sword Move guides the member to greater physical activity input and data from a connected wearable.

PREDICT Preventive AI for High-Risk Members

Detect and engage your highest risk members to avoid MSK-related procedures and high-cost surgeries, yielding up to \$6,368 in savings per member with a 5.8x return on investment.

Implementation Made Easy

As a **JoinHealth** curated solution, adding **Sword** to your health plan is simple. No separate processes, extra contracts, or administrative burdens to worry about.

Pricing

Sword Health's pricing structure is centered around key engagement milestones, driving real member engagement and delivering industry-leading clinical outcomes.
