24/7 Care, Dermatology and Nutrition

On-demand, 24/7 access to board-certified doctors by phone, video or app. Work directly with registered dietitians who are focused on specific clinical and nutritional needs. Upload images and provide details about your skin condition and receive a response and treatment plan in just one business day.

Mental Health Care

Meet with a therapist seven days a week from the comfort of your home and get support for anxiety, depression, stress and more.

Virtual Primary Care

Build ongoing relationships with a primary care team to address long-term health-care needs, from annual exams to more complex care, including referrals to in-network specialists.

Chronic Care Management

Access a unified and comprehensive program for diabetes, hypertension and pre-diabetes prevention that helps members across a multitude of chronic and mental health conditions.

Implementation Made Easy

As a **JoinHealth** curated solution, adding **Teladoc** to your health plan is simple. No separate processes, extra contracts, or administrative burdens to worry about.

Pricing

All services are delivered through a unified, front-door experience designed to simplify access and enhance member engagement.

Consultation fees are the total charge for the different services. Member visit fees can be customized for each service to align with your organization's benefit strategy.
